

Veterinary clinic cleaning: what we clean

Walk the hospital with your practice manager and mark the rooms staff will clear.

Practice _____ Address _____
Walked by _____ Date _____

Lobby and check-in

- ☐ Nose prints off the door glass
- ☐ Front counter, pen cups and card machine
- ☐ Seating and walls at tail and paw height
- ☐ Walk-on scale rim and top
- ☐ Retail shelves dusted
- ☐ Cat and dog seating areas
- ☐ Baseboards vacuumed before the floor is mopped

Exam rooms

- ☐ Stainless table tops and sides once cleared
- ☐ Sink, counters and cabinet pulls
- ☐ Door levers, switch plates and owner chairs
- ☐ Your named disinfectant, held for its label dwell time
- ☐ Trash emptied, floor last

Treatment and surgery

- ☐ Cabinet and cart exteriors
- ☐ Cleared counters and sinks
- ☐ Floor under tables and along walls
- ☐ Surgery prep and recovery rooms
- ☐ Terminal clean of the surgery room booked separately

Wards, runs and bath area

- ☐ Empty kennels: doors, latches and walls
- ☐ Quiet work around occupied kennels
- ☐ Run floors and drains scrubbed
- ☐ Tub exterior, grooming counters and floor
- ☐ Concrete runs machine-scrubbed on a cycle

Staff side and restrooms

- ☐ Doctors' office and practice manager's desk
- ☐ Break room counters, sink and microwave
- ☐ Client and staff restrooms
- ☐ Soap, towels, tissue and liners topped up
- ☐ Records and screens left untouched

Notes
